## PROFESSIONAL SUMMARY

Motivated Computer Science undergraduate student with a strong passion for continuous self-development and full-stack software development. Demonstrates solid logical thinking, a systematic approach to problem-solving, and practical experience in building web applications using Java Spring Boot and user-centered UI/UX design. Ready to contribute effectively to collaborative development teams.

## EDUCATION

### Telkom University

August 2024 – Present

#### Undergraduate Student – Informatics / Computer Science (S1 Informatika)

- Admitted via JPA 1 Stage 1.

### Diponegoro 1 Senior High School East Jakarta (SMA Diponegoro 1)

2021 – 2024

#### Natural Sciences (MIPA)

## KEY PROJECTS

### Campren – Campaign Tracking System

#### Full-Stack Developer (Course Project: Software Engineering & Human-Computer Interaction)

- Designed and developed **Campren**, a comprehensive web-based tracking system engineered to monitor, manage, and analyze campaign performance metrics in real time.
- Architected robust backend services utilizing **Java** and **Spring Boot** framework to handle campaign data processing, business logic, and API endpoints.
- Built a responsive, intuitive, and accessible user interface using **HTML5**, **CSS3**, and **JavaScript** based on user-centered UI/UX principles to ensure a seamless navigation flow.
- Applied core Software Engineering practices and HCI principles throughout the development lifecycle, from requirements gathering and prototyping in Figma to full-stack integration.

## SKILLS & COMPETENCIES

### Programming

#### Languages:

Java

Golang

JavaScript

C++

C (Arduino)

HTML

CSS

### Frameworks & Tools:

Spring Boot

Figma

### Soft Skills:

Teamwork & Collaboration, Sense of Responsibility, Problem Solving, Systematic Thinking

## ORGANIZATIONAL EXPERIENCE

### Student Executive Board (OSIS) – Diponegoro 1 Senior High School

August 2022 – August 2023

#### Staff Member – Division 5

- Successfully organized and executed the **School Of Organization (SO2)** program, facilitating an official institutional visit for OSIS and MPK members to the Ombudsman of the Republic of Indonesia (Ombudsman RI).
- Actively participated in planning, coordinating, and implementing various school-wide programs and initiatives.
